The Homes:

The 2 bedroom houses at Turnpike Close blend modern barn-style architecture with rustic charm. Featuring natural materials and large windows, these homes connect beautifully with their surroundings. Inside, the open-plan kitchen, dining and living areas are bright and spacious, perfect for entertaining. Practical touches include a utility room, a downstairs toilet, and two generously sized double bedrooms. A modern bathroom and a flexible extra room, ideal as a study or nursery, add to their appeal.

The 3 bedroom homes offer a timeless brick design with spacious interiors tailored for growing families. A high-quality kitchen leads to an open living and dining area that opens directly to private gardens. Upstairs, the master bedroom includes an ensuite, while two additional bedrooms and a contemporary bathroom provide comfort for all.

All homes include two parking spaces and electric vehicle charging points, ensuring convenience and sustainability.

Buying with Maddox

At Maddox Homes our aim is to build to the latest standards, including for energy efficiency.

Why is a Maddox home more energy efficient than an older home?

Only **4%** of older built homes
have an Energy Performance Certificate
rating of A or B, meaning the amount of
energy required to run it is over double that
of the average new build home. *

The average new build home
owner could save up to

£2,600

a year on their household bills.*

* Source of Information: Home Builders Federation & UK Government.

The cost of upgrading an older home to the same energy standard of a new build is around

£45,000*

The carbon footprint of a new build home is cut by over

50%

compared to an older house.*
